2. FBIS considers these firm requirements calling for the fullest possible response. You should use this plan as a guide to selection, processing, and publication of relevant material. [redacted]

25X1

3. The classified version of the collection objectives and statement of the collection problem are included for the information of FBIS staff personnel in the bureaus. There is no need to retain this classified material in the bureaus after it has been read, since the Official Use Only version of the collection objectives should provide sufficient selection and processing guidance to bureau editors and monitors. The Office of HUMINT Collection has emphasized the
